

Flyer

I designed this gadget flyer to produce eye-catching flyer that advertises gadgets and draws clients. By experimenting with font, artwork, and design features.

Certificate

I made this certificate so that i would challenge myself on how to desgin a certificate.

Business card

I made this card to produce eye-catching card that successfully conveys a person's business identity, making a lasting impression and establishing deep relationships between the business and people.

Flyer

I made this business advertisement flyer to create awareness to the public and also to adhere to a company's brand awareness and aiding in their marketing endeavors.
